192: Internship

Petition

Department of Art

Note: This petition is to be used by qualified students who have a specific internship in mind.

Instructions: Seek supervision for your 192 from an Art faculty person. Complete form and have Instructor sign below. Bring to Undergraduate Advisor in Art Dept. for further processing. Submittal of petition does not add 192 to your schedule. After this petition is filed with the Art Dept., you must officially enroll in 192 over GOLD with approval code (or at the Registrar). 192's are P/NP grading option only.

Remember: You must have your internship supervisor contact the Art faculty (who is academically sponsoring the 192) to report on your progress by the end of the quarter so that your faculty sponsor can give you a grade. This is the student's responsibility!

Qualifications: Instructor supervision/approval required on all 192s. 192 courses are only open to upper-division students with a 3.0+ GPA (for 3 preceding quarters.) Students must demonstrate ability to pursue independent study (normally successful completion of at least 2 upper division courses.)

192 Requested for: Quarter: **Year**: **Instructor:**

Total Units Requested (limit 4):

Art majors are allowed only four 192 units per quarter and a total of eight 192 units total college-wide. Only 4 units of 192 count toward the Upper-Division Art Major requirements.
